

## 1000 & 1200 STRAIGHT TRACK

**No. 1000 and No. 1200** straight tracks are available in motorized, cord operated, or walk-along formats. These tracks have an exclusive drop flange construction coupled with a fin guided carrier design to insure quiet, non-fouling and automatically aligning operation. Both tracks may be rigged as bi-parting, lap, or one-way draw.

**No. 1000 Heavy Duty Straight Track** is 14-gauge roll-formed galvanized steel with drop flange construction. CWANA\* prices are based on purchase of 24 ft. or 30 ft. track lengths. Shorter lengths to be priced using individual parts and minimum track lengths of 24 ft. Track lengths over 30 ft. use CWANA price for first 30 ft. then individual pricing for additional components. Track may be equipped with standard or rear-fold drapery carriers, scenery leaders (master carriers), masking leaders or pivot leaders.

\*CWANA = Comes With All Necessary Accessories

CWANA Drapery track assemblies include the following components:

- 1 ea. 1001 Track (24 ft. length minimum)
